

Sunset Road

Sunset Road

Sunset Road & Wildt Street

Existing Conditions

A

1430 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

B

1204 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

C

906 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

D

712 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

Existing Conditions

E

608 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

F

528 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

G

428 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

H

300 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

Existing Conditions

I

205 Sunset Rd - Existing Condition:
North side of Sunset Rd, looking east

J

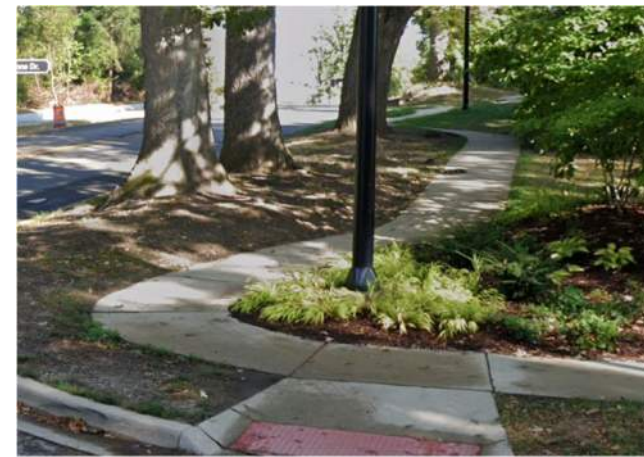

815 Wildt St - Existing Condition:
North side of Sunset Rd, looking east

Sidewalk Design Alternatives

- Place sidewalk meandering behind existing curb to minimize impacts.
- Narrow road and move curb into road, then place sidewalk behind new curb and provide buffer to minimize impacts.
- Reallocate part of road to provide a protected 'pedestrian lane'.

Meandering behind existing curb

Curbline moved inward to narrow roadway

Biking Design Alternatives

- Conventional bike lanes
- Shared lane markings
- Bike boulevard

Conventional bike lanes

Shared lane markings

Bike boulevard
