- The host will unmute you
- Say your answer to the poll

Note: Phone polling is not anonymous. Everyone in the meeting will be able to hear your response.

Polling

Zoom Meeting Norms

- Start on time . . . end on time.
- Raise your hand to be recognized to talk; there will be one speaker at a time
- Move to a quiet area and silence any background sounds when speaking
- Speak loud and clear so everyone can hear
- Everyone will be provided a chance to speak before a repeat speaker
- Be respectful of other ideas and perspectives – no finger pointing!
- Try to differentiate between I know (facts), and I think (opinions).
- Inappropriate written and/or verbal comment or language, including personal attacks and accusations, will result in the attendee being removed from the meeting.

Have we missed anything?

Program Updates

- Working with Ann Arbor ADA Representative and review of nation's best practices, the Traffic Calming team has updated program guidelines to address accessibility concerns.
- Horizontal devices (things you drive over) may only be proposed where there is continuous sidewalk on at least one side of the street.
- Concrete curb extensions are not currently eligible in the Traffic Calming Program due to extensive engineering design required.
- Paint and Post will serve as intermediate vertical devices.
- Project areas with sidewalk gaps increase score in CIP prioritization by either Traffic Calming petition *or* Sidewalk Gap petition.

Example: Wall Street & Nielsen Court

Things You Drive Around: Paint and Post
