General Comments

Questions & Answers

1. When is our next meeting where we will see preliminary designs?
   Response: Our next public engagement meeting is scheduled for Tuesday, July 29, 6-7:15 p.m. at the Ann Arbor District Library: Traverwood Branch (program room) 3333 Traverwood Drive.
   Information will be posted on project website, postcards will be sent to residents and also notice will be emailed to those who subscribed to project email notices.

2. Should I move by personal landscaping out of the right-of-way prior to construction if I want it to be protected?
   Response: Yes, moving your personal landscaping outside of the right-of-way prior to construction will help prevent it from being damaged during construction.

3. The lawn extension of the home at 1301 Pear its' curb to curb (right of way) is not centered. Can this be checked or corrected? Response: Yes, we are investigating the right of way limits at this property and will confirm the location with the property owner.
